

1 provision was necessary, but with the bail reform that has
2 taken place, I submit to you that it is not only un-
3 necessary but unwise to adopt a similar provision. I
4 am very happy to note and gratified that Chairman Kiefer
5 thought it would not make any difference either way.

6 To those of you who are on the fence, I strongly
7 urge you to vote for the amendment. I have no idea
8 what "other terms" means. I have no idea what the term
9 "reasonably necessary" means, and I think this would just
10 require a judicial interpretation from now until this sec-
11 tion remains in the Constitution.

12 I strongly urge you to adopt the amendment.

13 THE CHAIRMAN: The Chair recognizes Delegate Marion
14 for one minute.

15 DELEGATE MARION: Mr. Chairman, Delegate
16 Burgess said this reflected a distrust of the judiciary.
17 I don't think adoption of 5(B) would reflect a distrust
18 of our judiciary any more than would the adoption of
19 Section 3 which certainly restricts the judiciary by saying
20 "no person shall be deprived of life, liberty and property
21 without due process of law."
